Classroom News

Dear Parents, at this time, we'd like to welcome Ms. Kimberly coming on board to DCA. She has been a Montessori Preschool Teacher for many years. We are delighted to have her!

We are also sad that Ms. Baul has to leave us as she pursues her Master's in Early Childhood Education.

We wish her the best!

*Please help your child to bring small objects, or sea animals (fish, shark, shell, star fish.....), pictures, or books that related to sea for "show and tell"!

We Learn By Doing

Brains are wired through hands-on interaction with the physical world

Congratulations to all our preschool graduates!!
