"DADDY & ME" NIGHT

3/1, Wednesday

7PM~8PM

in your child's classroom

Parent Reminder Corner:

1. If you find small objects in your child's pocket or bag and you do not know where it came from, please kindly bring those items to school and ask their teachers. It's very likely that they belong to one of the works in the classroom. Sometimes they (small objects) are just too cute to resist!
2. Shoes - please don't wear shoes that "light up" to school! They are very fashionable but at the same time are distracting in class, especially during circle time and nap time.

ALL daddies are invited

This is an awesome opportunity to see what your child is learning:

- ❖ Complete a work with your child
- ❖ Interactive circle time together
- ❖ Enjoy a special treat (a snack) made and served by your child
- ❖ Honoring and appreciating "Daddies" for being one of the most important people in our lives.

RSVP with your teacher

DADDIES ONLY!

****NO SIBLINGS, PLEASE!****

Thank you for your attention and corporation. A little help goes a long way!
